

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 4228

IN THE MATTER OF:

Served January 3, 1994

CARRIER NO. 210, Suspension and)
Investigation of Revocation of)
Certificate No. 210)

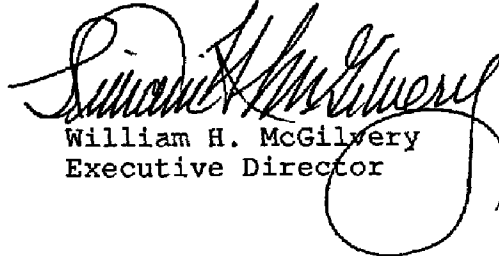

Case No. MP-93-55

This investigation was initiated on November 19, 1993, in Order No. 4208. As that order noted, respondent changed its corporate name from Metromed Systems, Inc., to Safe Transportation, Inc., and then applied for approval to conform the name on its certificate of authority. The application was conditionally approved on October 7, 1993, in Order No. 4182, contingent on respondent filing certain documents by November 6, 1993, including a certificate of insurance issued in respondent's new name. When respondent failed to file the required documents on time, the Commission suspended respondent's certificate of authority for failure to comply with Commission Regulation No. 58-06, which mandates that a certificate of insurance shall be issued in the carrier's correct name.

Respondent endeavored over the course of the next five to six weeks to file the requisite documents, and on this day, January 3, 1994, respondent's motion to extend the filing deadline set in Order No. 4182 was granted in Order No. 4227, and a new certificate of authority was issued in the name of Safe Transportation, Inc. Accordingly, the suspension is lifted and this investigation is terminated.

IT IS SO ORDERED.

FOR THE COMMISSION:
